

Notice for Directory Information

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Marion Military Institute, with certain exceptions, obtain written consent prior to the disclosure of personally identifiable information from a cadet's education records. However, MMI may disclose appropriately designated "directory information" without written consent, unless you have advised the Registrar that such information should not be released without the prior consent.

"Directory Information" as defined by Marion Military Institute under the authority of FERPA, includes a cadet's name, addresses (campus, home, mailing, email) and telephone numbers, class level, previous institutions attended, awards, honors (including Dean's List and President's List), degrees conferred (including dates), dates of attendance, names of parents, past and present participation in officially recognized sports and activities, physical factors (e.g., height and weight of athletes), and date and place of birth. A written request to withhold Directory Information must be filed with the MMI Office of the Registrar by the third week of the first semester in order that such information is not to be released.

The Office of the Registrar is located in the Administration Building on Wilkerson Drive.
